

February Board Meeting Minutes Highlights

Membership

According to membership chair Don Dabney we are currently at 132 paid members for the year. If you haven't renewed yet make sure to do so soon or you'll be left out of the club directory.

Outings

The January outing for coastal steelhead was well attended. Even though no adult steelhead were caught people had fun and the weather was great. Next outing is February 23 on the South Umpqua for steelhead.

Conservation

The board has decided to abstain from writing a letter in support of Rogue Riverkeeper in regard to property on Elk creek being transferred from ACOE to BLM.

Member of the Year

The board submitted their votes for the member of they year. The results will be out soon.

Dick Ruff Award

We also decided on an outstanding long time member for this coveted award.

Other Board Stuff

Tim Bolling is putting the final touches on our yearly budget and will submit it to the board at next month's meeting.

There has been an ongoing discussion on attracting new members to the club. If anyone has any ideas on attracting new members, please speak up and let us know. The longevity of the club depends on recruiting new members.

Due to the Rogue Fly Fishers support of Rogue River Watershed Council (RRWC) we have a 10 seat table at the RRWC annual fundraiser, Celebrate the Rogue on April 29. These seats will be sold for \$60 per seat with the proceeds going to RRWC.
