

Rogue Fly Fishers

January 2024 Board Meeting Highlights

First up was Tim Bolling with the treasurers report. Report was approved.

Next was John Pogue with December minutes. Minutes were approved.

Next was Don Dabney with memberships. We have a total of 168 members. However, an awful lot of those haven't paid their dues yet for 2024.

Next was Jerry Haynes with outings. January coastal steelhead, February upper Rogue, March nothing yet, if anyone wants to recommend something for March please do so.

Next was Dale Day with the conservation report. There was a discussion on jet boats in the upper river.

Next up was a brief discussion on the auction. Anyone interested in helping with the auction please reach out to Charlie Costner, Steve Haskell, or anyone on the board.

Next was a discussion about advertising in the newsletter and club directory. Still trying to work out costs and what to charge.

Next was the election of board officers. The election results were as follows. President John Pogue, Vice President Jerry Haynes, Treasurer Tim Bolling, and Secretary Susan Labiste.

Next was Don Dabney with a request from member Jim Ulm on making the badges for the club. A motion was made and approved for Jim to make the badges. Jim's badges will be engraved wood with a magnetic holder, and they're cheaper than the plastic ones we are currently using. Badges will be made first for those who've paid their 2024 dues.

Next was Steve Day with a grant request from the Rogue River Watershed Council (RRWC). The grant request is under review.

Next was a discussion on the club picnic caterers. Still haven't made a final decision on who will cater.

That was it for January. If you have any interest in being a board member or would like to attend a board meeting, remember it's your club, and you're welcome to attend the board meetings, and or join the board as positions are needed.
