

## March Board Minutes Summary

Our treasurer Tim Bolling has been hard at work charting our financial path for the year. Bills are paid and the 501C3 reports have been filed.

Dave Haight provided an update on programs. Unfortunately Lance Grey had to reschedule for the March meeting. So we have Gary Lewis instead. Lance will return for one of our fall meetings.

Jerry Haynes went over the outings schedule. Our next outing will be on the lower Sacramento River in the Redding area March 18.

Susan was filling in for Don Dabney this month as membership chair. Currently we are at 201 members. This is great and almost back to pre-covid numbers.

Dave Haight spoke about the Celebrate the Rogue event. It is on April 29 this year. Rogue River Watershed Council (RRWC) has reserved a table for us. The seats are \$60 a piece and the proceeds will go to RRWC contact Dave for more information.

Our new auction chair Tammy Dedrick spoke about having a book sale at the March meeting to clear out some of the clubs large library. There will be a mini auction in June.

There was a discussion on a membership survey. A survey was approved and will be distributed at the March meeting. Mark Dewey is exploring the possibility of creating a web version that people can fill out online.
