

Rogue Fly Fishers
Highlights From
September Board Meeting Minutes
September 6, 2023

Treasurers report was approved.

The meeting minutes from June were approved.

Steve Day has our programs lined up through April.

Don Dabney with the membership report. We have a total of 163 members.

Jerry Haynes with the outings report. The next outing will be in October for steelhead on the middle Rogue. Date was originally scheduled for the 14th, but the eclipse is on that day. John Pogue will be hosting the outing and he will have Steve put out a blog post when he nails down a date.

Dale Day discussed the habitat restoration being done to prepare for the Klamath river dam removal.

Tammy Dedrick has had to step down from the auction committee. If anyone is interested in helping with the auction, please get a hold of David Haight or one of the other board members.

Board members are needed for the next term. We have a few people stepping down. If interested, please contact one of the board members.

The December meeting will be held on December 20.

John Storfold is looking for volunteers to help with Project Healing Waters. This is a great project, and anyone interested in helping please reach out to John Storfold.

The April meeting in 2024 will be a combined meeting with SOFF.

The club BBQ will more than likely be a joint club BBQ again. It will also be a catered event instead of Steve Day doing all of the cooking and organizing. Steve has been doing this for many years and would like a chance to enjoy the event.
