President's Message May 2026

Well, spring is upon us, seniors are getting ready for prom and graduation, the lakes are thawed out and fishing good, and most importantly it's time for our fundraising auction. Robbi DeBois has put together a really special event for the club this year. He and his team have put a lot of effort into this event and it will be great to say the least. This event is our main fundraiser for the projects that we fund including grants and scholarships. So please register for the auction and buy your tickets now.

There is a great opportunity coming up to help rescue fish from the tributaries that will dry up due to the light rainfall and low snow pack this year. Guide Scott Howell has created a new organization focused on smaller tributaries in the Rogue Valley [HTTP://www.rogueriverrestorationcouncil.org/](http://www.rogueriverrestorationcouncil.org/) is the new organizations website. There's a form to fill out on there if you're interested in helping out. He is currently working with ODFW and landowners to implement his project and can certainly use our help. If you'd rather reach out to Scott personally his email is scottmhowell@icloud.com. He'd love to hear from you. I've signed up myself and really looking forward to helping our fish any way I can.

Also our annual picnic is coming up on June 13th at Tom Pearce park in Grants Pass. There will be a casting competition and silent auction. This is a great family event and the pavilion that we have reserved is right by the new playground so feel free to bring the young ones. There will be a catered lunch as well. Look for email announcements about the picnic soon. Also be on the lookout for announcements on the roadside cleanup that we do at McGregor Park. We follow the cleanup with some salmon fly action on the Upper Rogue.

I look forward to seeing you all at the auction, the picnic, the roadside cleanup, or out saving some fish. Take care everyone and get out there and go fishing.

Treasurer's Report TREASURER NEEDED!

I moved to the Rogue Valley in 2017 and immediately joined the Rogue Flyfishers and got active starting with the 2018 Auction. Since then, I've been Membership Chair, Auction Chair, and for the past 4 years, Treasurer. It's time for me to resign from the Board of Directors, effective 12/31/26, and turn over the duties of treasurer to somebody else. However, I will not be able to attend the picnic on 6/13 nor the November meeting on 11/18 so those will present a perfect opportunity for someone to handle the duties of treasurer at those events but with my assistance. Please contact me or any other Board member if you'd be willing to assume the duties as treasurer or at least help at either the picnic and/or the November meeting.

Previous treasurers used QuickBooks but because I was very familiar with Excel, I converted our records over to that format. Obviously, familiarity with Excel would be helpful but not strictly necessary as usage requires just a very basic knowledge of that program. A separate listing of most of the duties of the Treasurer appears elsewhere in this newsletter.

Duties of the Rogue Flyfisher's Treasurer

- Maintain all financial records of the club
- Collect, record, and deposit all money paid to the club at dinner meetings and all other functions where money is paid to the club either directly or via PayPal
- Pay all bills, fees, and/or other assessments after

- approval of the Board of Directors if necessary.
- Prepare a monthly financial report (based on a version of the IRS Form 990-EZ) and distribute same to the Board of Directors
- Pay FFI Affiliate Club dues and insurance premium
- Prepare and file IRS Form 990-N (a postcard) or 990-EZ (if revenues exceed \$ 50000) report and State of Oregon CT-12 report annually
- Pay State of Oregon Corporate Registered Agent fee
- Pick up mail from club PO Box and distribute as necessary
- Attend Board of Director meetings

Auction Update

We are less than 1 week away from the 2026 Rogue Flyfishers Benefit Auction and Dinner. The auction committee is ready. The Medford Armory is ready. Back Porch Bar and Grill is ready.

Are you ready? A few of you are because you have already registered and paid for your attendance. When I say a few, I mean about 40. I know we go through this every year, but it shouldn't be an accepted way of conducting our business. Here's why you need to register now.

When you register on our website, an email is sent to Bob Eury. He forwards the email to Tim Bolling and me. Tim makes sure the payment is received and logs it. I digitally document the registration and print the email for a hard copy at the event. If everybody waits to the last minute, we will be up all night documenting registrations.

More importantly, I have to call Back Porch Bar and Grill to provide our menu picks as soon as I am done writing this email. We have to guarantee at least 100 meals for Back Porch to cater the event. And even more important than that, we have to give them a head count before the event so they can prepare the right amount of food. In case you are wondering, we had some requests in 2024 for a vegetarian entree. We are honoring those requests this year with vegetable lasagna.

I take hours out of my days in an attempt to make this event a success. I am only asking you to take a few minutes to register at

"[HTTP://rogueflyfishers.org/ninja-forms/5gheh/](http://rogueflyfishers.org/ninja-forms/5gheh/)" (copy&paste into browser if link isn't live).

If you have problems or questions about the registration process, please call me anytime.

FFI FlyFest 2026

As an FFI member we know fly fishing plays a meaningful role in your life, so we hope you'll save the date and plan to join us for FlyFest 2026, taking place September 24-26, 2026, in Redding, California, at the Redding Civic Auditorium.

FlyFest is about bringing fly anglers together; to learn, to share knowledge, to spend time with people who care deeply about the sport and the waters that sustain it. Whether you're new to fly fishing or have spent a lifetime on the water, FlyFest is designed for anglers of every age and skill level.

The 2026 event will bring learning and community into the same space with a full schedule of educational presentations, fly tying and casting demonstrations, a consumer trade show, and time built in for fishing, food, fellowship, and fun. Everything takes place under one roof and is included with a single, accessible registration fee.

For members who want to go a step further, FlyFest will also offer small-group seminars that allow for closer learning and real conversation. A community dinner and fundraising auction will round out the weekend — an opportunity to connect, celebrate our shared passion, and support the mission of Fly Fishers International.

Registration will open to the public March 16.
